Terms and Conditions of a U.A.S. Charge Account

I am requesting a weekly charge account with United Auto Supply. I understand that the terms of my account are as follows: a weekly charge account runs from Sunday to Saturday and must be paid on the following Monday. If I foresee a problem with meeting the requirements of this agreement I will log onto unitedautosupply.com and submit a rapid response which will have direct contact with UAS corporate offices. Otherwise, I understand that the computer does nightly maintenance and the account will automatically go on credit hold. If this occurs more than once in a one year period, credit privileges will no longer be available, and the account will remain cash on delivery.
